Veterans Day programs slated for Friday

by Dan Sanderson
Staff Writer

The Grayling community has a host of special programs in store to honor the lives and service of men and women who have served in the armed forces on Veterans Day.

The Grayling High School will kickoff Veterans Day with a program that will be held from 9:27 a.m. to 10:27 a.m. on Friday, Nov. 11 in the Joseph Stripe Auditorium.

The program, planned and organized by the Grayling High School Senate, will include a presentation of the nation's colors, a slide show and a performance by the Grayling High School Choir.

The program will include an explanation on the words to "Taps," which was arranged in its present form by the Union Army Brig. Gen. Daniel Butterfield, an American Civil War general who commanded the 3rd Brigade of the 1st Division in the V Army Corps of the Army of the Potomac. While at Harrison's Landing, Va. in July 1862, Taps was written to replace a previous French bugle call used to signal "lights out." Butterfield's bugler, Oliver W. Norton, of Erie, Pa., was the first to sound the new call. Within months, Taps was used by both Union and Confederate forces. It was officially recognized by the United States Army in 1874.

The program will also include information on the Grayling High School's See **COMMUNITY** | Pg. 9A

Project moving forward to save museum's exterior

by Dan Sanderson
 Staff Writer

The Crawford County Historical Society is taking a swift and modern action to address the exterior of the Crawford County Museum.

The Crawford County Historical Society Board of Directors recently agreed to hire K & B Construction of Mio to place metal siding on the outside of the Crawford County Museum in downtown Grayling.

The museum, a train depot built in 1882, was last painted in 1985, when the building was opened to the public to display the community's history and artifacts.

Time and weather over the years has caused the paint to deteriorate, exposing the original timber used to build the depot.

Over the several years, Crawford County Historical Society Board members have sought funds to help paint the outside of the museum to stem the deterioration and decaying of exposed wood.

Fund-raisers, donations and investments into certificates of deposit and flexible spending accounts have generated the \$18,000 to pay for the metal siding.

"I think it's going help, it's going to keep cost down on maintenance, but it will take away a little bit of history from the museum building," said Bill Nielson, president of the Crawford County Historical Society Board of Directors.

Robert Young, a former Michigan State Senator who is in charge of the Crawford County Historical Society's Foundation, negotiated the

deal for the metal siding with the contractors.

Young said that some exterior features from the outside of the building would have to be removed when the metal siding is placed on the former train depot.

Young added that exposure to lead paint, which is in trim and corners of the building, will no longer be

exposed to the public.

Finally, Young said contractors will begin the project next spring rather than starting the job this year and leaving community members wondering about the project's completion.

Young added that it would take at least two years to scrape all the old paint off the building, paint the museum and buying paint was

deemed to be too costly.

"This way, we'll be done with it and then we can continue on with our main mission, telling the history of Crawford County," Young said.

In 2008, the Crawford County Historical Society Board successfully raised funds and completed a project to replace the roof on the museum.

The bell choir from the Seventh Day Adventist Church will also perform as the sights and sounds are shared at the Festival Trees. Santa's mailbox will be at the Grayling Mall to collect holiday wishes.

New participants for the Festival Trees include Walgreens, The Party Depot, Dawn's Milltown Groomers, Hodge Podge Creations, Dynamic Therapy, the Academic Cultural Student, foreign exchange students attending Crawford AuSable Schools, the Ramada Inn of Grayling, North Start Auto Wash and North Central Area Credit Union.

"We have a lot of new people this year, but we had to cut it off at 37 because we

only have so much room," Bertram said.

Drawings for the Christmas trees, donated items and gift certificates will be held at noon on Sunday, Nov. 20, which is the final day for the festival trees. Two miniature Christmas trees, which are about a foot tall donated by Northern Home and Lawn Care, will be raffled off so a boy and girl can have their own Christmas trees in their rooms.

All proceeds raised at the Festival Trees goes towards projects and organizations GPA supports.

"It's all a fund raiser for the Grayling community and all the money stays in Grayling," Bertram said. "The GPA gives a lot back to the community and they have for years."

The Grayling Promotional Association's (GPA) sixth annual Festival of Trees will start on Saturday, Nov. 12 from at 10 a.m. to 7 p.m. Above, April Bertram, chairwoman for the Festival of Trees, places a Christmas tree bulb on one of the 37 trees that are on display at the Grayling Mini Mall.

Good Grades coming to Hanson Hills for upcoming ski season

Program revamped to include more students

by Dan Sanderson
Staff Writer

The Grayling Recreation Authority has opened up more possibilities for the upcoming ski season for students who have not let their grades, attendance and citizenship slide.

In the past, the Grayling Recreation Authority (GRA), which manages and operates programs at Hanson Hills, awarded free ski passes to students who received all A's or 4.0 grade point averages on their report cards.

Understandably, that drew some criticism from parents, teachers and students, who knew they are given their all in the classroom, but not get the top grades.

Over the last year, Jeremy Beroset, the programs director at Hanson Hills, and the programs committee have been working to revamp the program to recognize student achievement.

It is now being called the Good Grade program and the program recognizes two variables of achievement in the schools. Grayling Elementary School students will also be eligible to receive free day ski passes for discounted membership

passes along with students at the Grayling Middle School and Grayling High School, who were the only students eligible to take part in the program previously.

"This year's change was to help reward students that strive for excellence and achieve high marks but may not reach that level of perfection," Beroset said.

The first variable is based on grade point averages. Students who receive a 4.0 grade point average receive a 75 percent discount on a ski pass for the year, which is \$21. Students with a 3.75 to 3.99 grade point average receive a 50 percent discount for a ski pass, which is \$42. And students with a 3.50 to 3.74 grade point average receive a 25 percent discount on ski passes, which are \$63 dollars.

The second variable for the Good Grades program covers marks received in the first trimester.

Students who receive 98 to 100 percent of 4.0 grades will get a 75 percent discount off a ski pass, which will cost \$21. Student who receive 95 to 97 percent of 4.0 grades will get a 50 percent discount off a ski pass, which will cost \$42. And

students who receive 92 percent of 4.0 grades will get a 25 percent discount on a ski pass, which will cost \$63.

Parents can bring their children's first trimester report card to Hanson Hills to redeem the Good Grade certificate and fill out a membership form for the ski season. If a family membership is purchased, Hanson Hills will take the discount of the student's redemption level off the price of the membership.

Finally, day ski passes are being given to schools leaders to recognize good citizenship, good attendance and students of the month.

"This broke it down into three categories where we are trying to reward a larger spectrum of kids," Beroset said. "It was a scenario where we wanted to include more students although they might not hit the perfect mark."

Beroset has been working on the Good Grades program over the last year.

"My job is to make these fixes and get these programs right," he said.

Chris Sheldon, a Grayling Middle School art teacher, applauded the sliding scale

for ski passes and memberships similar to programs in place at other northern Michigan ski resorts.

"It just offers more opportunities for more students," Sheldon said. "It becomes more an achievable goal for more kids."

Sheriff issues fraud warning

by Dan Sanderson
Staff Writer

Crawford County Sheriff's Deputies have handled several fraud complaints, originating from Canada and the Dominican Republic.

Crawford County Sheriff Kirk A. Wakefield said victims have received phone calls from someone in Canada representing themselves as police saying that a relative has been arrested or has been in an accident and needs money.

During the phone call, the suspects will ask the victim to send a large amount of

money to the Dominican Republic through Western Union, a service used to transfer money around the world and pay on-line bills.

The dollar amounts are usually \$4,000 or more.

Wakefield wants everyone to know this is a scam and to not send your money.

Almanack

Remember all those who served our country

VETERANS DAY is a national holiday that usually draws little public attention.

This year Veterans Day falls on a Friday, but nobody has tried to turn it into a national three day holiday weekend, as happens with so many other special days.

What started back in 1918 as Armistice Day heralded the end of what was short sightedly called "The War to End All Wars."

Of course, the conclusion of that bloody battle between Germany and the rest of Europe, with the United States joining in, eventually, was misnamed. In only a few short years, it required enumeration, and became World War I.

An armistice to end World War I was very important in 1918.

The war ended officially at the 11th hour of the 11th day of the 11th month. The guns stopped at 11 a.m. on

November 11, 1918. Up until the 11th hour, soldiers on both sides still were dying.

The Armistice Day holiday, declared by President Woodrow Wilson one year later on Nov. 11, 1919, observed the end of the "War to End All Wars." It didn't, of course.

ONLY 21 YEARS later, another vast armed struggle erupted, again sparked by Germany, first in Europe and then becoming global.

Armistice Day proved inadequate to honor those called by their country to fight again in World War II.

That's when we had to start numbering our World Wars, so that became World War II, even bloodier and more vital than the first.

Armistice Day broadened to become Veterans Day in 1954 when President Dwight Eisenhower

declared: "On that day, let us solemnly remember the sacrifices of those who fought so valiantly, on the seas, in the air, and on foreign shores, to preserve our heritage of freedom."

AMERICANS LIKE to think of ourselves as a peace loving nation, and we are.

But history tells us our country has been at war somehow and somewhere almost since the United States was born out of our first official war - our Revolutionary War to free the colonies from British rule.

Then came (according to Veterans Administration records) the War of 1812, the Indian Wars, the Mexican War and America's Civil War, all within the first century of our existence.

During the next 100 years, Americans in uniform have fought and died in the

Spanish American war, World War I (the War to End All Wars), World War II, the Korean War, the Vietnam War, the First Gulf War, and the continuing wars in Iraq, from which an early withdrawal has been promised, and Afghanistan, which has set a record as America's longest lasting war.

This list does not mention military actions in Granada, Panama, Kosovo, Somalia and maybe a few more places that have slipped my mind or have not merited full "war" or even "police action" status.

We baptized our 21st century with the Second Gulf War and war in Afghanistan, and there is no reason to believe our history of warfare unfortunately will not somehow continue.

In every case, the leaders of our country at the time told us the interests of America were endangered

and military action was essential, and every time Americans in military uniform have responded.

AMERICANS CONTINUE to answer the call to military duties today, all volunteers in probably the best trained military force in the world today. Gen. David H. Petraeus in an essay printed in a recent issue of American Legion magazine, expressed these thoughts about today's military, who will be tomorrow's veterans: "I have long endorsed Tom Brokaw's observation in Iraq in 2004 that America's current men and women in uniform are 'surely America's new greatest generation.'"

"Our troopers represent the very best that our nation has to offer, demonstrating extraordinary determination, remarkable innovativeness, and indomitable

strength of spirit and will.

"Indeed, those are the very qualities that have always made America and the American people so great. They are also the qualities that, along with our nation's enduring core values and governmental systems, enable America to weather any storm and emerge stronger.

"In a time in which challenges abound, we should all take heart and pride in these strengths of the American people and the impressive way they are displayed in America's men and women in uniform."

Washington Notes

By Carl Levin, U.S. Senator (D-Michigan)

Want to cut the deficit? End offshore tax abuses

The vast majority of Americans fulfill their legal and civic obligations to pay the taxes they owe, and rightly expect others to do the same. But too often, corporations and wealthy individuals use overseas tax havens to dodge their duty, passing their tax burden off onto others and increasing the federal budget deficit.

That's why I have introduced the Stop Tax Haven Abuse Act, legislation geared to stop offshore tax abuses that constitute a huge drain on U.S. taxpayers. This bill offers powerful tools to combat offshore tax abuses and eliminate tax incentives that encourage corporations to move jobs and profits overseas. And at a time when budget deficits are everyone's concern, this bill offers a reasonable way to reduce the deficit by billions of dollars. I have recommended to the Joint Select Committee on Deficit Reduction - the so called "super-committee" - that they consider the Stop Tax Haven Abuse Act as they work on a bipartisan agreement to reduce the deficit.

The bill is a product of the investigative work of the Permanent Subcommittee on Investigations, which I chair. For more than ten years, the subcommittee has exposed billions of dollars in offshore abuses, including the use of offshore cor-

porations and trusts to hide assets; the use of tax haven banks to set up secret accounts; and the use of U.S. bankers, lawyers, accountants and other professionals to devise abusive tax shelters. A small office building in the Cayman Islands, called the Uglan House, is listed as the headquarters for more than 19,000 shell corporations that in too many cases are being used to dodge their taxes. In addition, over the past two years, 30,000 Americans have come clean to the IRS about hiding funds in offshore bank accounts.

Why is this so important? Because the stakes for taxpayers and our budget problem are enormous.

Our subcommittee has estimated that offshore tax abuses cost taxpayers about \$100 billion a year. The loss of that money means two things happen: the tax burden on law-abiding, middle-class taxpayers goes up to cover the obligations of those who fail to pay what they owe; and our budget deficit deepens.

The Stop Tax Haven Abuse Act would help put a halt to offshore tax dodging in several ways. It would authorize the Treasury secretary to take special measures against foreign jurisdictions or financial institutions that impede U.S. tax enforcement. It would give

law enforcement new tools to establish who owns and controls offshore entities. And it would stop corporations that are run from the United States from avoiding taxes by claiming status as foreign corporations.

I have introduced similar legislation in the past, and some important provisions from those bills have become law. But much more can and should be done. Cracking down on offshore tax abuse would not only combat rising budget deficits, but also make our tax system fairer to middle-class families.

No one enjoys paying taxes. But almost all of us do. Some pay their taxes simply to avoid trouble, but for most of us, there is something else going on: a sense of civic duty. We understand that, as Supreme Court Justice Oliver Wendell Holmes put it, when we pay taxes, we buy civilization.

We know that for our country to remain safe, secure and prosperous, paying our fair share is necessary. It's wrong that so many use offshore shelters to avoid their obligations, and we can and should do more to put an end to the tax cheating that robs our Treasury, honest taxpayers, and our children's future.

Carl Levin is the senior U.S. senator from Michigan.

Letters to the Editor

I urge you to never forget

To the editor:

Two months ago our nation observed the ten year anniversary of one of the most tragic events in our nation's history - September 11, 2001. I observed this day by attending a community prayer and remembrance service.

The event opened with songs and prayers for our country, for the families of those who were murdered that tragic morning, for police, firemen, first responders and our military. A 21-gun salute was given by members of our local National Guard, followed by Taps from a local high school trumpeters. For the most part, it was a solemn and respectful tribute to a day most people in this country will never forget.

However, one local minister closed the service with a Hindu prayer for peace, a Christian prayer and an Islamic quote from Sufi (a segment of Islam), "When the power of love overcomes the love of power, there will be true peace." I looked at my husband in disbelief. Remembering the three thousand people murdered in a single morning by extreme followers of Islam and thinking of all the appropriate quotes possible, we hear an Islamic one? For me, I found it very offensive and disrespectful to the active military participating in the event, many which have been or will be deployed to continue the ongoing war against terror. Many families, mine included, have had sons,

daughters, husbands, wives and other family members deployed around the world because of this attack on our country.

Today, some feel it's time to move on from publicly remembering this tragic event. I say we must "never forget." If we do not consciously make time each year to remember that act of terrorism against our country on September 11, 2001, then we will forget the strong, determined and united people this country became the next day on September 12, 2001.

People pulled together and prayed together, desiring God's strength to get through those uncertain times. Are we the people of 9/11, vulnerable and afraid, or are we the people of 9/12, who will stand up and fight evil when confronted by it, trusting God to help us when we face uncertainty and danger?

At first, I felt I should write a letter to the editor, but didn't have the quote to refer to at that time. Perhaps someone else would write a letter, I thought, however, nothing appeared in the weeks to follow.

This Friday, November 11, is Veterans Day, a time to remember all of our veterans and all of the wars and conflicts in which they have participated and sacrificed their time and lives. I urge you to never forget and to make sure our children and grandchildren also never forget.

IN HONOR OF OUR VETERANS

The Bible Speaks

Judgment Seat of Christ

God always saves by grace and rules by law. All humans are sinners and all sin will be judged. Jesus Christ said in John 8:24 there are two ways to die, in your sins or believing in Him as your savior. "24I said therefore unto you, that ye shall die in your sins: for if ye believe not that I am he, ye shall die in your sins." Those who are not sinners in the book of life as trusting Jesus Christ as Savior will perish as Revelation 20:15 says: "15And whosoever was not found written in the book of life was cast into the lake of fire."

Being a Christian does not mean we get away from judgment for sins. All Christians share in 3 judgments. First is our judgment for the penalty of our sin, we were found guilty and Jesus Christ paid our penalty 2,000 years ago on the cross of Calvary. "18For Christ also hath once suffered for sins, the just for the unjust, that he might bring us to God, being put to death in the flesh, but quickened by the Spirit." (1 Peter 3:18). "13Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree." (Galatians 3:13). "21For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him." (2 Corinthians 5:21). "3Who being the brightness of his glory, and the express image of his person, and upholding all things by the word of his power, when he had by himself purged our sins, sat down on the right hand of the Majesty on high." (Hebrews 1:3).

Second, we will either judge ourselves of sins or be judged of God continually while we are here on earth. We are called to examine

ourselves when we approach the Lord's Table at church. (1 Corinthians 11:26-30). The alternatives are stated in 1 Corinthians 11:31,32: "31For if we would judge ourselves, we should not be judged. 32But when we are judged, we are chastened of the Lord, that we should not be condemned with the world." Hebrews 12:6-8 reminds us: "6For whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth. 7If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not? 8But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons." God promises in 1 John 1:9: "9If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."

Third, our works will be judged at the Judgment Seat of Christ for reward or loss of reward. "10But why dost thou judge thy brother? or why dost thou set at nought thy brother? for we shall all stand before the judgment seat of Christ." (Romans 14:10). See also 2 Corinthians 5:10). "13Every man's work shall be made manifest: for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is. 14If any man's work abide which he hath built thereupon, he shall receive a reward. 15If any man's work shall be burned, he shall suffer loss: but he himself shall be saved; yet so as by fire." (1 Corinthians 3:13-15). According to 1 John 3:3 true Christians will strive to live Godly lives. Pastor "B"

Rhea Glisan

Rhea Stripe Glisan was born in Grayling, on April 2, 1948, and died on Nov. 2, 2011, after a long battle with Young Onset Alzheimer's.

She was the daughter of Joseph and Faith Stripe, a graduate of Grayling High School and Michigan State University.

Her G.H.S. classmates remember her being on the ski team, and for her sweet nature, supportiveness, and humor. When the G.H.S. band director mentioned the scuffed-up conductor's podium, Rhea sneaked in, and - knowing he was color-blind - painted it pink!

She loved sewing, making her own prom dresses, then skating costumes, being invited to be a "repair seamstress" at championships (she once sewed up Brian Boitano's trousers which he'd split up the back), and eventually landing a job at the Goddard Space Flight Center, making insulating jackets for Space-Shuttle instruments.

Her husband of 38 years felt they were a perfect match. "We just didn't have issues. She wasn't a drama queen."

Rhea is survived by husband Gary Glisan; daughters: Julie, Dena and Shannon Glisan; grandson, Anthony Williams; and sister, Cathy Stripe Lester.

Condolences: www.witzkefuneralhomes.com. Memorial contributions to the Alzheimer's Association.

She was born April 25, 1940 in Pontiac.

She married John Bennett Crampton (Jack) on August 17, 1957.

The place she loved and called home was Frederic.

She is survived by her loving husband, of 54 years Jack; and three children: Jere (George) Mullen of Sumter, S.C., Jonni (Scott) Malone of Grayling and John (Mariane) Crampton of West Branch; 11 grandchildren; and 16 great-grandchildren.

She was preceded in death by her parents; sister; and grandson. She enjoyed traveling, sewing, walking, her black labs (Dukes), but most of all times spent with her family and friends.

There will be a memorial in the spring 2012.

Community holding Veterans Day programs on Friday

Continued from Page 1A

The Military Hall of Honor was introduced by Crawford AuSable Schools Board trustee Jim Tobin at the annual Grayling High School Veterans Day assembly on Nov. 11, 2004. On Memorial Day 2005, an inaugural ceremony was held in Joseph Stripe Auditorium for veterans, friends and relatives to honor those who served in the armed forces.

The Military Wall of Honor is located in the high school along the wall opposite the school store and cafeteria. The hall honors our veterans who served actively in past wars with plaques that contain the names of veterans serving in World War I, World War II, Korea, Vietnam, Persian Gulf, Iraq and Afghanistan. The plaques include the veteran's name and military branch in which they served. An asterisk next to an individual's name depicts service in a combat zone. Currently, the Military Hall of Honor recognizes the service of 956 veterans.

Sgt. 1st Class George Masella, an employee at Camp Grayling Maneuver and Equipment Area Training Site (MATES) and an Operation Iraqi Freedom veteran, will be the guest speaker for the program.

Meridith Anderson, a Grayling High School language arts teacher and Student Senate Advisor, said letters were sent to the American Legion Post #106, the Carl W. Borchers Post Veterans of Foreign Wars Post #3736, Grayling Eagles and Mercy Manor, inviting veterans to the program.

The program is open to the public as veterans are honored by students.

"All community members are welcome to attend the program as well as we honor our veterans that day," Anderson said.

The VFW Post #3736 will hold a Veterans Day ceremony on Nov. 11, at 11 a.m. at the American Legion Hall. There will be a soup luncheon following. The public is welcome to attend the program.

The Crawford County Commission on Aging and the Grayling Senior Center is hosting a Veterans Day program honoring all veterans at 11 a.m. on Friday. There will be patriotic music, inspirational readings and all veterans will be recognized. The program will last about one hour with lunch following. All veterans will eat free.

No registration necessary. For more information, contact the Senior Center at (989) 348-7123.

Operation Christmas Child is underway

Operation Christmas Child Northern Michigan is preparing for National Collection Week upcoming on Nov. 14 to Nov. 21.

Operation Christmas Child brings joy and hope to children in desperate situations around the world through gift-filled shoe boxes and the Good News of God's love. Since 1993, more than 61 million shoe boxes have been packed, shipped, and delivered across the globe.

"We appreciate all the support of families, churches and schools packing their shoeboxes," said Dianna DeYoung, Operation Christmas Team Leader for Northern Michigan. "Last year our northern Michigan region packed and shipped

over 17,000 boxes. We hope to exceed that goal this year.

Shoeboxes should be standard size and can be filled with any combination of items. Suggested items include personal hygiene items (soap in plastic bag, toothbrush, washcloth, toothpaste), toys, school supplies, sunglasses, shoes, jewelry or gum. In addition, a \$7 donation to Samaritan's Purse for shipping for the box is encouraged as well.

The Grayling Free Methodist Church, located at 6352 M-72 West, is serving as a local collection site.

For collection dates and time, contact the church at (989) 348-9093.

Grayling Chamber spotlights Old AuSable Fly Shop

Old AuSable Fly Shop received the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member Award for October. Pictured above is employee Mark Rais, owner Jeff Gardner, owner/manager Andy Partlo, owner Linda Matas and employee Justin Dilts.

Old AuSable Fly Shop, located at 200 Ingham St., Grayling, was selected as the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member Award for October.

The Old Au Sable Fly Shop has been in business for four years since purchasing the building that housed Ray's Canoe Livery and The Fly Factory. There has been a fly fishing outfitter on this property for over 100 years (Chief Shoppenagon). And a fly shop on site since Sailor Bill Huddleston created "Sailor's Fly Factory" in 1911. "We are certainly the AuSable's "Old" fly shop," said Jeff Gardner, owner.

"We offer everything the fly fisher could possibly

need to completely outfit themselves. The Old Au Sable Fly Shop also offers guided lessons as well as guided fishing trips on the AuSable and Manistee Rivers," said Gardner.

"Many folks may not be aware that we have a strong online retail presence," Gardner added. "They may also not know that we offer short, free fly casting lessons. In addition to all things flyfishing, we offer lots of gear that crosses over into all outdoor pursuits."

The Old Au Sable also offers lodging on the river. They employee up to seven employees in the peak season.

Old Au Sable Fly Shop has been a chamber member since 2010.

Honors

Central Michigan University

Central Michigan University announced its August 2011 graduates. Those Grayling graduates are Spencer Derenzy with a Bachelor of Science, Jason Potter received a Bachelor of Science and Richard Ryan received a Bachelor of Science in Business Administration.

Man celebrates 100th birthday

Family, friends and members of the St. Mary's Church helped George Matyn celebrate his 100th birthday at Goodale's Bakery on Friday. Matyn actually turned 100 on Nov. 5. Pumpkin pie and whipped topping were served for dessert. When asked by a friend what his secret was to living to 100, Matyn, who still works as a plumber, replied, "Work. Never stop working." Above, Matyn is pictured at the party.

GHS Class of 1956 celebrates 55 year reunion

The Grayling High School Class of 1956 celebrated their 55th class reunion, on Aug. 13, at the Grayling Country Club.

The event was organized by Shirley (Harney) Johnston and Kay Ellen (Pettengill) King. Johnston and King were assisted by Hans Andrews as master of ceremonies and Gary Parkinson as assistant MC.

Special for the occasion was the appearance of former classmate Donald Akers and his wife Carole. Don was a Manton High School graduate but the vote of the classmates was to let him attend.

There were a number of

unique gifts and prizes awarded to the graduates: Parkinson was awarded a signed 1956 'aged' football with team signatures for his having been All-State Honorable Mention that year. Parkinson brought a wood-carving he had made of a Viking and it was raffled off to raise funds for the Crawford County Christian Help Center. They raised \$320 which will purchase \$4,480 in groceries for the Grayling program. Ed and Barbara Holtecamp were awarded the Viking prize as the high bidders.

Many other classmates receive other recognitions.

USDA approves Bovine TB Free Status for 57 counties

Michigan Department of Agriculture & Rural Development (MDARD) Director Keith Creagh recently announced that 57 counties in the Lower Peninsula have been designated as Bovine Tuberculosis (TB) Free in an interim rule published in the Federal Register.

Additionally, the United States Department of Agriculture (USDA) approved shrinking the state's Bovine TB Modified Accredited Zone (MAZ) even further by removing Presque Isle County.

Only Alcona, Alpena, Montmorency and Oscoda counties in the easternmost area of the northern Lower Peninsula remain in the

MAZ.

Bovine TB is a contagious bacterial disease of cattle that can affect other mammals, including humans. In 1994, a unique strain of bovine TB was identified in Michigan's free-ranging deer. USDA has worked with Michigan's farmers, veterinarians, Michigan State University Extension agents, the Michigan Department of Natural Resources and the Michigan Department of Community Health, and MDARD on statewide disease surveillance testing, and Radio Frequency Identification (RFID) tagging of 1.2 million Michigan beef and dairy animals representing \$9.17

billion in net worth.

"Congratulations to our producers. This announcement marks a turning point in the bovine TB program. Through hard work by beef and dairy farmers, effective surveillance testing, RFID, and movement certification requirements, we are able to protect and now open up new market opportunities for our combined beef and dairy industries," said Creagh. "It has been a long haul for our 13,000 beef and dairy producers since we started addressing this issue 17 years ago."

"This is a great accomplishment," said Dr. John Clifford, USDA APHIS Chief Veterinary Medical Officer. "Tuberculosis is a serious disease, and the State of Michigan has worked diligently with us to contain it."

Since disease testing began, 52 Michigan cattle farms and four privately owned cervid operations have been affected by bovine TB. Most of these TB positive farms have been in the MAZ, and were depopulated.

As USDA grants Michigan counties TB Free Status, MDARD simultaneously updates the state's zoning rules to match the federal requirements. The Michigan bovine TB rules have special regulatory applications, as written in the on-line booklet, Split State Status and Zoning Rules, 2011, for the following zones:

MAZ - Alcona, Alpena, Montmorency, and Oscoda counties.

The Modified Accredited

Advanced Zone (MAAZ) - Antrim, Charlevoix, Cheboygan, Crawford, Emmet, Otsego and Presque Isle counties.

Bovine TB Free - Upper Peninsula and all counties in Lower Michigan not included in the MAZ or the MAZ.

"Northern Lower Michigan producers committed themselves to the Wildlife Risk Mitigation Program and their willingness to adopt innovative farm management practices - effectively preventing wildlife contact - influenced USDA's decision to upgrade our status," Creagh said.

Michigan's Wildlife Risk Mitigation Program (WRMP), which began in 2009, provides expert guidance on cattle/wildlife interactions. Since the program began, both MDARD and USDA have provided financial assistance to producers so they can create plans and build barriers that keep wildlife away from their cattle and cattle feed. To date, 830 farmers have signed up to create their own plans. MDARD expects all farms in the MAZ and MAZ that sell cattle to have risk mitigation plans by January 1, 2012.

Visit MDARD and Emerging Diseases websites for a map and additional information, including the booklet explaining the Split State Status and Zoning Rule changes, and to join the Animal Health Listserv at: www.michigan.gov/mda or www.michigan.gov/emergi ndiseases.

Community-based aging services receive approval for 2012 funds

The Region 9 Area Agency on Aging (AAA) recently received approval for its plan showing how state and federal funds will be spent to provide community-based services and supports to the elders and persons with disabilities in its 12-county service area.

There are 16 Area Agencies on Aging in Michigan and each must submit plans for state approval. The Michigan Office of Services to the Aging (OSA) and Commission on Services to the Aging announced the Region 9 AAA plan was approved. It serves the counties of serving Alcona, Alpena, Arenac, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego, Presque Isle and Roscommon.

These plans outline local program priorities, describe goals and strategies for accomplishing them, and summarize comments received at public hearings. Information and assistance, care management, nutrition, disease prevention, home care, transportation, and legal assistance are among funded programs that significantly contribute to the quality of life for older residents.

"When creating the annual plan, we look to our communities and residents to help identify current needs and gaps in services," said Laurie Sauer, Region 9 AAA Director. "Through needs assessment studies and public hearings, we are

able to identify the services needed."

Although many people may be aware of home-delivered meals or congregate meals served at local senior centers, they may not know where a portion of the funding comes from to provide those services. The Region 9 AAA receives funding and subcontracts with councils/commissions on aging in each county to provide some of these services. Other services are provided directly by the Region 9 AAA, such as care management and disease prevention programs.

Some priorities that have been identified include elder abuse prevention and awareness, home care services and programs to support the health and well-being of the older population and persons with disabilities.

One goal identified in the plan is to increase education for disease prevention and health promotion through evidence-based programs.

"Just like every other agency in the state, budget cuts have affected us," Sauer said. "However, we are pleased we are able to continue providing quality services that empower elders and persons with disabilities to make choices on where they live and how they live in our communities."

Playoff run ends with 63-22 loss at Menominee

Football team finishes year with 9 wins, 2 losses

by Caleb Casey
Senior Staff Writer

Grayling High School's varsity football team ended its 2011 season with a 63-22 playoff loss to the Menominee Maroons on Saturday, Nov. 5, in a contest played at Menominee (Upper Peninsula).

Grayling kicked off to start the game. Menominee drove 80 yards on eight plays, finishing the series with a 21-yard touchdown run. The Maroons led 7-0 2:45 into the Division 5 (District 1, Region 1) playoff contest.

Grayling started at its 35-yard line. Quarterback Zane Tobin threw to Riley Zigila for six yards. A pass from Tobin to Scott Parkinson gained 19 yards. Three incomplete passes brought up 4th and 10. Grayling went for it and picked up a first down with a pass to Zigila on a play that also included a horse collar tackle penalty on Menominee. Three plays later the Maroons batted

down a Grayling pass at the goal line, ending the series on downs.

Menominee drove 94 yards on three plays, scoring on a 77-yard run on 1st and 10. The Maroons led 14-0.

Grayling started at its 35 again. Tobin threw to Zigila on 3rd and 8 for a 13-yard gain. Three plays later, on 4th and 7, Tobin completed a pass to Steven Enos for 30 yards. Again, the drive stalled in the red zone (inside the opponent's 20-yard line). Incomplete passes on second, third, and fourth downs ended the series.

Menominee took over at its 13-yard line. Grayling's defense held, sacking Menominee's QB on 3rd and 17 to force a punt. The kick didn't go far and Grayling started 22 yards from the goal line.

A pass interference penalty on Menominee on first down brought up 1st and 10 at the 11-yard line. On 3rd and 4, Tobin completed a pass to Zigila in the end zone for

a five-yard TD. Zigila ran the ball for a successful two-point conversion. The Maroons led 14-8 with 11:36 left in the second period.

Menominee drove 49 yards on seven plays following a failed on-side kick attempt by Grayling. The Maroons ended the series with a six-yard TD run on 1st and goal. Menominee had a 21-8 lead with 8:44 left in the first half.

Grayling punted on 4th and 11 and the Maroons started 41 yards from the goal line. Menominee threw for a 41-yard TD on the first play of the possession. The Maroons led 28-8.

Grayling punted on 4th and 12 and Menominee started 35 yards from the goal line. The Maroons ran the ball three times, scoring on a 10-yard run on 1st and goal. With 5:06 left in the half, Menominee led 35-8.

The Vikings drove 66 yards on six plays, scoring on an 18-yard pass from Tobin to Devon Dawson. See **PLAYOFF I** Pg. 38

Buck pole event to help kick off firearm deer hunting season

Hunters will have the opportunity to display their bucks and possibly win cash prizes in a variety of categories during this year's Orangecoat Roundup, Grayling's buck pole event that helps kick off the firearm deer hunting season every year. The buck pole is located at Skip's Sport Shop in Grayling.

Hunters can win cash prizes in the following categories during this year's Orangecoat Roundup, slated for Nov. 15 and 16, the first two days of the firearm deer hunting season: first deer, first 10 deer, first female hunter, youngest hunter, oldest hunter, heaviest buck, largest rack.

The hunter whose deer has the largest rack over the course of the two-day event will win the grand prize, a scoped rifle.

Hunters must have an Orangecoat Roundup button

in order to participate in the buck pole competition. Buttons are \$2 each and are available now at Skip's Sport Shop.

According to a new website called "White-Tailed Deer: Working Together to Create Michigan's Premier Source of Deer Information" – the site, deer.fw.msu.edu, is a collaboration between the Michigan Department of Natural Resources and Environment and Michigan State University – hunter numbers were down last year from their 2009 levels.

"A survey of deer hunters was conducted following the 2010 hunting seasons to estimate hunter participation, harvest, and hunting effort. In 2010, an estimated 656,500 hunters spent 9.6 million days afield. Statewide, the number of people hunting deer decreased 4 percent, and

2010 Buck Pole at Skip's Sport Shop

their hunting effort decreased 6 percent between 2009 and 2010. Hunters harvested nearly 418,000 deer, a decrease of about 6 percent from the number taken in 2009," according to the site. "Statewide, 44 percent of hunters harvested a deer in 2010, while hunter success was 43 percent in 2009.

About 23 percent of the hunters took an antlerless deer and 29 percent took an antlered buck in 2010. About 15 percent of deer hunters harvested two or more deer."

Locally, last year's buck pole had only slightly fewer deer than the previous year. Hunters displayed 26 bucks in 2010 and 28 in 2009.

Volleyball team clinches district title with sweep vs. Roscommon

Vikings win 25-23, 25-21, 25-23 in District 63-B finals

by Caleb Casey
 Senior Staff Writer

Grayling High School's varsity girls volleyball team clinched a district championship with a 3-0 series sweep vs. the Roscommon Bucks on Thursday night in a match played at Houghton Lake High School.

On Tuesday night, Grayling swept the Houghton Lake Bobcats in the semifinals to advance to Thursday's District 63-B finals. Roscommon defeated Cheboygan in the other semifinal contest on Tuesday.

All three games were close on Thursday night; Grayling won by two, four, and two.

Game one featured several ties and at least a couple of lead changes. Grayling led 7-3 early in the contest. The two teams were later tied at 14-14. Roscommon scored the next four points to lead 18-14. The Vikings scored six of the next eight points, leading to another tie at 20-20. Grayling led 24-21 late in the game. The Bucks pulled within one, 24-23, but Grayling scored the point it needed and won 25-23.

The teams were tied at 11-11 during the early part of game two. Later, the teams were tied at 17-17. Grayling scored five of the next six points to lead 23-18. The Vikings won 25-21

to take a 2-0 series advantage.

Grayling trailed late in game three before coming back to win it. The Vikings led 11-4, but the Bucks rallied for seven consecutive points, tying the match at 11-11. Late in the contest Roscommon led 22-20, but Grayling scored the next three points to lead 23-22. The Vikings won game three by a final score of 25-23 to clinch a district title.

"This is pretty sweet," Coach Jessica Szymoniak said.

"It was a hard fought battle from both sides," Coach Szymoniak said. "The kids played great. I could tell they were ready. Excellent,

excellent job. I'm very, very proud of them."

According to the team: Josie Swander had 36 assists; Rachel Cooper had 12 kills and 17 digs; Elaine DesEnfants had 10 digs; Cara Miller had 10 kills and seven digs; Cierra Prosser had eight kills; Shanley Dorn had seven digs; Stanna Dorn serve received at 100 percent; Sarah Goodyear, Madi Junttila, and Cooper each had one ace.

The Grayling Vikings advanced to regionals with last week's district victory. They were scheduled to play the Cadillac Vikings at Cadillac on Tuesday, Nov. 8; results were not available prior to press time.
